Amazing gifts await you on the path of becoming a Transformational Breath facilitator. The new expanded residential Facilitator Training Program is guaranteed to increase your personal creative expression and to provide profound Transformational breathwork experiences.

Dr. Judith Kravitz is an ordained minister with a Doctorate in Metaphysics. She has taught and advanced the field of Breathwork for over 3 decades. Judith was inspired by a personal experience of self-healing a malignant tumor on her neck, based on principles and skills acquired through her work with the breath.

Judith travels worldwide sharing this amazing process. She has trained thousands of Facilitators and led over 100,000 people in groups and individual sessions. Her book, "Breathe Deep, Laugh Loudly", is the ultimate breather's manual as we embrace major transitions in the paradigms for health and well-being.
